TRYOUT PROCEDURE

Tryouts for all sports will be held for 3 consecutive days prior to each season. All players must complete the online registration at AthleticClearance.com and submit their signature form and physical form to the Bookkeeping Office to obtain a clearance to tryout by the established deadline. Deadlines for players to submit their athletic registration forms will be posted on the Athletic page of the dvhigh website - this will usually be one week prior to tryouts to give our office staff time to process. Once cleared, the player will receive an email from athleticclearance.com and coaches will see the students cleared on the Home-Campus app . **If they do NOT have this clearance you may NOT let them participate in the tryouts.** If a player misses the deadline they may be subject to sitting out a day of the tryouts.

IMPORTANT:

- All players are required to have a current physical (with one year of participating)
- Players must be academically eligible to tryout or have been granted an academic waiver
- Coaches must have a standard rubric of team selection criteria - [Click here for sample rubric](#)
- Ask entire team if there are any transfer students. (A student who was here and transferred then came back is considered a transfer) Any student who did not start their first day of high school here is a transfer.
- Ensure you have emergency forms for every player – check to make sure of any medical conditions and you can read the parents contact info.
- Submit your final roster to the AD once tryouts are completed. Coaches who wish to control their own Home-Campus page can build their own rosters - Please communicate with your AD on this one.
- Latest version of your schedule should be in to AD – any changes must be approved by AD and Admin from both sites.
