## THE ATHLETIC ADVISOR 5

### **Post Season Play:**

As our sports teams grow and become more successful, we are putting some protocol in place for consistency. Below is the new protocol for assistances with post season play.

Athletic funds will contribute as follows:

- Trips 0-300 miles = \$100 per player/per day/per event
- Trips +300 miles = \$200 per player/per day/per event
- Only necessary coaching staff will be funded at the same rate as players.

Please work with your parents at the beginning of the season to organize fundraising efforts that may be necessary to support post season play/travel.

### **Funding Playoff and Post season play:**

You must incorporate this into your season's budget – fundraising for these events will allow you to have extra monies in your program even if you don't make it to playoffs.

- Any fundraisers or tournaments must be approved **before** you can advertise
- On campus tournaments or fundraisers must have a facilities request form as well as the fundraiser request form. – any questions see Peggy Thomas
