BAND . ORCHESTRA . CHOIR

March 2022

MAKE A DIFFERENCE IN DVHS MUSIC!

Every year, a team of involved and enthusiastic parents comes together to support the amazing DVHS music program. With 25% of the student body enrolled in the program - nearly 800 students - there is much to do.

The district provides minimal funding, so the Music Boosters' main purpose is to raise money. Through memberships, ticket sales, events and other fundraisers, we can afford to make the DV music program an action-packed four-year experience for those who want it.

We take students to competitions throughout the Bay Area. We bring in outside musicians and choreographers to work with the students. We go on tour - we've been to Disneyland, Carnegie Hall, and even Hawaii. We invest in new music so that students can experience a wide range of genres. We purchase and maintain numerous instruments to provide students with a variety of playing experiences.

But none of this happens without parent involvement. Competitions and tours require chaperones, concerts and events require volunteers, uniforms need to be organized, the bills need to be paid, finances need to be handled and the Music Boosters non-profit organization needs to be managed and maintained.

Can you be one of these parents? Our music boosters board has some open positions next year and we are looking for music parents to help out. You'll get to know the teachers and school administrators, have a deciding vote on fundraisers and events, and really get to know what it takes to put 800 students through the music program every year.

Interested? Come to our next meeting on March 22. We meet at 6:30 in the band room. If you can't make that, email or call me. I'd love to talk to you more about what we do.

Sara O'Gara
