Meet Ms. Gibson Our New Band and Orchestra Director!

What inspired you to become a music teacher? I had a fantastic experience in my high school band and fell in love with music. Our program was very active, much like Dougherty's, and it inspired me in so many ways. I wanted to have the same impact on others that my band directors had on me.

What's the first instrument you ever learned to play, and do you still play it for fun? I started with the flute because I used to listen to Mozart's "The

Magic Flute" on repeat on my cassette tape player (yes, I had a cassette player...). I loved the sound and have been playing it all my life. I still play for fun whenever I can!

What's the most memorable concert you've attended, and what made it unforgettable? A few years ago, the United States President's Own Marine Band came to Acalanes High School, and they were, without a doubt, the best wind band I've ever heard. The musicians' intonation and blend were incredible. Not only that, but their set was exciting and entertaining, featuring everything from Bach to a soloist singing "Evermore" from Beauty and the Beast. The remarkable musicianship, combined with the simple fact that they loved performing for us, made it a life-changing experience.
