The following reports are available in District Edition applications only:

Report	Description
Aligned Assessments	The Aligned Assessments Report lists assessment results for those assessments (tests) tied to a course section for selected students.
Assignment Analysis Graph	The Assignment Analysis Graph Report creates a bar chart representing the students' grades for the selected assignment and/or activity.
Assignment Standards	The Assignment Standards Report provides a list of standards associated with an assignment for the selected grading terms.
Attendance Register	The Attendance Register Report displays attendance data for each student for each day in a student by day grid.

Attendance Summary	The Attendance Summary Report displays the section attendance summary for each student.	
<u>Blank</u> Spreadsheet	The Blank Spreadsheet Report creates an empty grid with selected students on the y-axis and blank column headers on the x-axis.	
Grade Book Export	The Grade Book Export Report allows users to export Grade Book scores into other applications.	
Grades Report	The Grades Report batch prints student grades.	
<u>Missing</u> Assignments	The Missing Assignments Report displays missing assignments per student.	
Portal Usage Roster	The Portal Usage Roster Report prints a summary of student and parent portal accounts and login activity for those students actively enrolled in the selected section.	
Roster Label	The Roster Labels Report displays roster labels for enrolled students.	
Section Summary	The Section Summary Report displays all selected assignments and students in a grid with students on the y-axis and assignment headers on the x-axis.	
Student Assessment Summary	The Student Assessment Summary Report lists the students' best test results for each selected test.	
Student Summary	The Student Summary Report displays a list of assignments per student that are assigned to the student along with any scores the student has received.	
Teacher Schedule	The Teacher Schedule Report displays a teacher's schedule in the current calendar year.	
Attendance Change Tracking	This report displays changes to the student attendance in a course section. Each modification to a student's attendance record displays in a separate row in the report.	
	This report was added in the <u>E.1126 Release Pack</u> .	

. .

The Instruction module and its tools are not available in State Edition applications.
